FOR SMALL UTILITIES )

ORDER

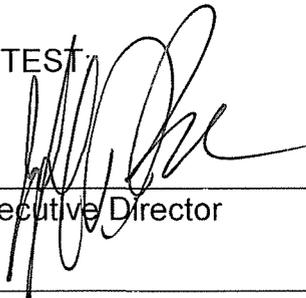

Big Sandy Water District ("Big Sandy District") has moved to vacate the Commission's Order of September 17, 2012, in which we granted Overland Development, Inc.'s ("Overland Development") Motion for Rehearing. In support of its Motion, Big Sandy District states that "neither the record nor the law support Overland Development's arguments" and that "there is nothing to be gained by the parties for Overland Development to have a rehearing."<sup>1</sup>

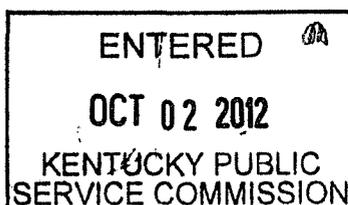

Having carefully considered the Motion and reviewing our Order of September 17, 2012, we find that Big Sandy District's Motion to Vacate should be denied and that these proceedings should continue.

IT IS THEREFORE ORDERED that Big Sandy District's Motion to Vacate is denied.
